

Rotary Club of Windsor (1918)
Guidelines for Email Announcements
Approved by the Board of Directors on December 10, 2008

The club president or designate has the discretion to allow any and all email announcements circulated by the office administrator to the club membership but will normally be guided by the following.

1. Requests to make announcements will come to the president or the office administrator from an appropriate committee chair or designate.
2. Announcements for approved club activities, e.g., youth exchange, bingos, will be allowed.
3. Announcements on District 6400 events, e.g., Meet the Governor Night, the DG's Picnic, the DG's Golf Tournament, the District Convention, etc., will be allowed.
4. Announcements on projects from other clubs, or on behalf of other clubs, will be allowed provided there is no conflict with our own or district events.
5. Announcements for non-Rotary activities will not normally be allowed.

Note: PN Rick Caron has set up a face book for "The Rotary Club of Windsor (1918)" that can be freely used to circulate information about non-Rotary activities of potential interest to club members. All club members wishing to benefit should contact Rick at caronrichardj@hotmail.com in order to be invited to join as this face book is restricted to members of our club.
