ROTARY WORLD PEACE SUMMIT

North America - April 25-27, 2008

Uniting Communities for Peace

Peace is Possible

On **April 25th – 27th, 2008** Rotarians and peacemakers from around the world will gather in **Windsor, Ontario** at a Presidential Peace Forum to share, celebrate and create peace initiatives. This North American event is the fourth and final in a series that have taken place this year in Bulgaria, Turkey and Africa.

This event promises to be an **exciting, once-in-a-lifetime opportunity** to listen to great international speakers and to make our voices heard.

Rotary Youth Day will kickoff the festivities, followed by a **Community Parade of Nations** that will welcome Rotarians, International Peace Scholars, and other business professionals from across the globe as they come together to celebrate hope for world peace.

Other events include a spectacular **Peace Concert** and a **Multicultural Civic Celebration**. Rotary International President Wilf Wilkinson will open the celebration in an **Open Air Ceremony**, on the riverfront overlooking Canada and the United States. Keynote speakers will include Honorary Chair Allan Rock and friends who will be participating in an extraordinary panel discussion on International Peace Initiatives.

One of Rotary's greatest goals is our platform of world peace through understanding. "We're shining the light on what we do to make the world a more peace-filled place," says Host Chair, Jennifer Jones. "Rotary clubs initiate thousands of humanitarian projects every year. Each child we teach to read, every adult we help learn a trade, and every community playground we build is another step toward bringing the world together."

The cost for adults is **US\$175 and US\$100** for youth registration. Register today at rotarypeacesummit.org.

Don't miss this incredible opportunity to learn, to share and to **celebrate peace!**
