Basketball MVP Tim Duncan states: "Good, better, best. Never let it rest. Until your good is better and your better is best." Simply stated, we all must strive for excellence in the things we say and do. Sometimes it takes us a few steps at a time. Sometimes success comes quickly; other tasks take time. In any event, what's our rush? Let's do the job right the first time and with it make a lasting contribution.

Four areas that Save the Children Canada promote are: 1. children's rights to a basic education; 2. dealing with the challenge of the children and families impacted by HIV/Aids; 3. elimination of the exploitation of children abused by others including the abuse of child labour and 4. responses to emergencies such as the recent Tsunami. ## SING SONG

### Four Leaf Clover

I'm looking over a  
four leaf clover,  
That I overlooked before.  
One leaf is sunshine,  
The second is rain,  
Third is the roses  
That grow in the lane.  
No need explaining the  
one remaining  
Is somebody I adore.  
I'm looking over a  
four leaf clover,  
That I overlooked before.

### Que Cera Cera

When I was just a little girl (boy)  
I asked my mother what will I be  
Will I be pretty (handsome) ?  
Will I be rich?  
Here's what she said to me.

Que cera cera  
Whatever will be will be  
The future's not ours to see  
Que cera cera.

When I was just a child in school  
I asked my teacher what should I try  
Should I paint pictures?  
Should I sing songs?  
This was her wise reply.

Que cera cera  
Whatever will be will be  
The future's not ours to see  
Que cera cera.

### When The Saints Go Marching In

Oh when the Saints  
Go marching in,  
Oh when the Saints go marching in,  
Yes I want to be in that number,  
When the Saints go marching in.

And when the sun begins to shine,  
And when the sun begins to shine,  
Yes I want to be in that number,  
When the sun begins to shine.

Oh when we meet at Rotary,  
Oh when we meet at Rotary  
Yes I want to be in that number,  
When we meet at Rotary.
