**OCTOBER IS VOCATIONAL SERVICE
MONTH**

VOCATIONAL SERVICE has often been misunderstood or overlooked over the years, and Rotarians sometimes struggle to implement projects that reflect this Avenue of Service. Rotarians can use their vocational talents in a number of ways - by training students and employees, by offering jobs to the unemployed, by serving as mentors to youth, and by reinforcing high ethical standards in the workplace. As we enter our second century of service, the need for vocational service has never been more relevant to the mission and values of Rotary today.

Dear Peter and the Windsor (1918) Rotary Club:

We enjoyed our visit with your club very much. Thank you for the lovely flowers, the special bottle of Canadian Club and the model car. We will enjoy the flowers and the Canadian Club. We will share the model car with our grandsons.

" Penn State's Joe Paterno tells us that you have to "believe deep down in your heart that you're destined to do great things." When we make decisions that affect people in our community or people who live thousands of miles away, we want to be certain that those decisions are made with heart as well as mind. In this fashion, we know that we are destined to do great things, not because we want to be remembered by them, but because we know they are the right things to do!

Programme

Asmat Naebkhil introduced our newest member, Lynda Fortier, who was inducted at today's meeting.

Jamie McClaren took us 'on a trip' to Zimbabwe. Jamie was an exchange student with Rotary 1918 in 2000, and is currently a Fine Arts student at the University of Windsor. Jamie gave a very emotional presentation on the political environment in her country. She entitled it "A Paradise Lost". She discussed Operation Murambatsuina - translated "to drive out trash" - in a country which is suffering immensely from President Magove's government. This has caused a mass exodus of those who can leave and mass slaughtering of those who cannot. The country is rapidly crumbling under the dictatorship of Magove. One example is that there isn't any fuel in the country, and people, who are able, are forced to buy on the black market. Predicted inflation will be 1000% by Christmas of *this year!!*

SING SONG

BYE BYE BLACKBIRD

Pack up all my care
and woe,
Here I go, singing low,
Bye bye Blackbird.
Where somebody
waits for me,
Sugar sweet so is she,
Bye bye Blackbird.
No one here can love
and understand me.
Oh what hard luck stories
they all hand me.
Make my bed
and light the light,
I'll arrive late tonight,
Blackbird, bye bye.

IT'S A SIN TO TELL A LIE

Be sure it's true
When you say
I love you.
It's a sin to tell a lie.
Millions of hearts
have been broken,
Just because these words
were spoken.
I love you,
Yes I do,
I love you.
If you break my heart I'll die.
So be sure
That it is true,
When you say I love you.
It's a sin to tell a lie.

THAT ROTARY WHEEL

Bands of blue
and spokes of gold,
That Rotary Wheel.
Turning fellowship to all,
That Rotary Wheel.
Serve the power that makes it
Go 'round,
Serve, and each turn with joy
Will rebound.
Blends personalities,
Binds nationalities,
That Rotary Wheel.

Mr. Peter Hrastovec, President, Rotary Club of Windsor (1918):

Dear Peter: Thank you and the Board of the Rotary Club of Windsor (1918) for including me in your roster of Honourary Members for 2005-06. I really appreciate all the great work Rotary does in our community and around the world, and specifically the support that you all have given to the Windsor Symphony Orchestra over the years. I am proud to be a part of the grand tradition of the 1918 Club.

I look forward to attending several meetings this year, and crashing whatever post-concert parties you all will be hosting throughout the upcoming season.

All the very best.
