Notre Dame's legendary Knute Rockne was never short on advice. "Setting a goal is not the main thing. It is deciding how you will go about achieving it and staying with that plan." In Rotary, we are on the verge of ridding the world of Polio-hopefully once and forever. It will then be up to us to set some new goals and make plans to achieve these new goals and, at the same time, continue to make a positive difference for all humanity.

## SING SONG

### SMILE & THE WORLD SMILES WITH YOU

Smile! and the world smiles  
with you,

#### SING A SONG!

Don't be weary -  
just be cheery  
all day long.

Whenever your trials, your troubles  
and your care  
Seem to be more than you can  
really bear ...  
Smile! and the world smiles with  
you.

#### SING A SONG!

### SING A SONG TO ROTARY

Sing a song to Rotary,  
Shout 'til the rafters ring;  
Stand and give a cheer once  
again  
Let every loyal member sing!  
Sing to all the happy hours,  
Hail to the cheerful days;  
Here's to Rotary forever,  
Its memory in our hearts al-  
ways.

### WHEN THE SAINTS GO MARCHING IN

Oh when the saints go marching in,  
Oh, when the saints go marching in,  
Yes, I want to be in that number,  
When the saints go marching in.

And when the sun begins to shine,  
And when the sun begins to shine,  
Yes, I want to be in that number,  
When the sun begins to shine.

Oh, when we meet at Rotary,  
Oh, when we meet at Rotary,  
Yes, I want to be in that number  
When we meet at Rotary.

At our meeting on Monday, October 17th.,  
Shaul D'Angeli, President of the Rotary Club in Haifa, Israel,  
will be bringing greetings from his club and will say a few words.

### Hasu Naik's Eye Bank in Navsari, India

Dipake H. Patel, of Snellville, Georgia, met Hasu Naik when he was in India last December. He was so impressed by Hasu's "dynamism and dedication of his Rotarian team" that he sent a check for US\$7,000 towards Hasu's project to help provide two ophthalmic equipments for an eye bank operated by Rotary Eye Institute, Navsari, India. The following is an excerpt from his letter to President Peter, c/o of our Club:

"I congratulate your Club and Dist. 6400 in helping Dr. Naik to design and implement several projects for poor masses in India. I feel proud that in a small way my contribution will make the eye bank one of the most fully equipped eye banks in India. Finally, I must say you are fortunate to have Dr. Naik as a member of your club. I wish him success in all his humanitarian endeav-
