Today's Program

“Journey to Australia”
Speaker: Taras Rohatyn
and
Club Assembly

Coach Pete's Corner

Baseball's legendary Yogi Berra tells us “the future just ain't what it used to be.”

As well, the demands on Rotarians today and tomorrow are going to be greater than upon those who we preceded us. Despite life's complications, we know that if we can keep things simple -- if we can strike a balance in our lives while supporting those who find themselves in a state of imbalance -- then perhaps we may control our destiny.

Rotary Club of Windsor (1918)

Monday, October 24 , 2005

Chair: Peter Hrastovec

Invocation: Carol Foley

Reporter: Nick Bibic

Announcements

1. President Peter announced the passing of Frank Sladen, Jr., long-time Rotarian, from Michigan, and a PDG, and the passing of Flora Asselstine, spouse of Harold Asselstine, who was a long-time member of our Club.
2. Maureen Lucas reminded everyone of the Dinner Dance being held this Friday at Place Concorde.
3. Ian Henderson stressed the importance of the Bingos and thanked all those who came out at the last Bingo.
4. Jim Adkin announced that the upcoming meeting on November 7th will recognize the veterans from WW2. He asked that all veterans wear their medals that day.

Programme

Shari Cunningham introduced our newest member, Kasandra (Kay) Curtis. PDG Roy Lancaster presented Kay with her Rotary pin.

Our guest speaker, Rob Modestino, President, Ontario Pharmacists' Association, explained the role of the pharmacists in the transforming health care system, along with recent happenings in Ontario regarding our health system. The Minister of Health has a new health care programme in place and is in the process of establishing and focusing on education, energy and the economy. The Ontario Pharmacists' Association has a new vision and a new improved program for physicians and pharmacists for better serving their patients. A new drug program is being implemented for our senior citizens. Rob's speech was precise and very educational.

SING SONG

FRONT DOOR BELLS

(to the tune of Jingle Bells)

Dashing through the streets
In our costumes bright and
gay.

To each house we go,
Laughing all the way.
Halloween is here;
Making spirits bright.
What fun it is to trick or treat
On scary All Saint's night.

Chorus:

Front door bells,
Front door bells,
Ringing loud and clear.
What fun it is to trick or treat
When Halloween is here.

**PACK UP
YOUR TROUBLES**

Pack up your troubles
in your old kit bag
And smile, smile, smile.
While you've a Lucifer
to light your fag,
Smile, boys, that's the style
What's the use of worryin'?
It never was worthwhile -
So-o-o-
Pack up your troubles
In your old kit bag
And smile, smile, smile.

Ro - Ro - Rotary

Ro – Ro – Rotary
Service is our name
From coast to coast in
Canada
We fan the Rotary flame.

Ro – Ro – Rotary
Live the Four-Way Test
At work and play
Throughout our land
The Wheel will never rest.

Did you know: 'As Rotary's centennial celebration made news worldwide last February, a record number of people filled out the prospective member form on the RI Web site. A similar spike in visits to that page occurred during the well-publicized 2005 RI Convention in Chicago in June. Those increases fit a pattern that RI Membership Development Division staff have observed in recent years: Publicity in print and broadcast media appears to inspire more people to consider becoming Rotarians'
