Advice when making travel plans....."Fly first class - or your heirs will"

Coach Pete's Corner

We are reminded once again by the great Vince Lombardi, "The achievements of an organization are the results of the combined effort of each individual." From RI at the top right down to the grass roots of our club, the measure of Rotary's success is dependant upon the commitment of each and every Rotarian.

SING SONG

When the Red, Red, Robin ...

When the red, red robin
Comes bob, bob, bobbin' along,
along;
There'll be no more sobbin'
When he starts throbbin' his old
sweet song.
Wake up, wake up, you sleepyhead;
Get up, get up, get out of bed;
Cheer up, cheer up, the sun is red;
Live, love, laugh and be happy.
What if I've been blue
Now I'm walking through fields of
flow'rs
Rain may glisten
But still I listen for hours and hours.
I'm just a kid again
Doin' what I did again
Singing a song
When the red, red robin
Comes bob, bob, bobbin' along.

You Are My Sunshine

The other night dear
as I lay sleeping
I dreamt I held you
in my arms
When I awoke dear,
I was mistaken
and I held my head
and cried
You are my sunshine,
my only sunshine,
You make me happy
when skies are grey,
You'll never know dear
how much I love you
Please don't take
my sunshine away.

Rotary's A Grand Old Name

For it is Rot'ry, Rot'ry
That's the reason we're all here.
Our Rot'ry fellowship
creates friendship
throughout the year.
And it is Rot'ry, Rot'ry
That's the reason we all came.
For there is something here
that's very clear,
Service is our aim.

THANK-YOU LETTERS

To the Rotary Club: Many, many thanks for the funding to cover Mike's Microspirometer. It is a very useful tool to help with maintaining healthy lungs. A special thanks to Taras Rohatyn and the Adult Assistance Committee. The support from our community has been overwhelming. We are very fortunate to be surrounded by very kind, considerate and caring people. There are many ups and downs in the lung transplant process. We still go to Toronto General 3 times a week for physio, blood work, pulmonary functions, x-rays and clinics. Mike just recently had two hospitalizations for infections/rejection. He remains upbeat and takes each day as it comes. We thank you for your support and positive thoughts!

Mike Nadon & Family

Thank you very much for your generous donation to IRIS Residential Inns and Services. The money will be used to cover the operating costs of IRIS House. We strive to provide the best possible care for people with persistent serious mental illness (PSMI) who are homeless or at risk of homelessness. Currently, we have 60 residents. We are very grateful for your kind and continuous support of IRIS. On behalf of the Board of Directors,

Frank Sheehan, Board Chair, IRIS Residential Inns and Services

Thank you Rotary Club and the Children's Assistance Committee for your help in getting me my stair glide.
