### **EXCITING OPPORTUNITY!**

We just received the information on our newest Exchange Student.

Her name is Morgan Johnsen. She is 17 years old and is coming from Robina, Australia. She was born in New Zealand. She has two sisters and a brother.

She has a great many interests and enjoys soccer, has modeled and starred in a TV commercial. She has aspirations to be a police officer and work in forensics. She has studied Japanese for two years and French and Chinese for one year each.

She will be arriving in January and needs a host family. Please think about having her join your family or sharing this information with your family and friends.

I would be pleased to meet with potential families and orient them to the program. It is important to find a family quickly as we need to return the paperwork so that she can get her visas.

Please contact me at 967-9530 (home) or 999-9531 (cell) for further information or an offer to host!!!! Thanks!

Yours in Rotary,

Janet Kelly
