

# ROTARY CLUB OF WINDSOR (1918)

Today's Program  
OCTOBER 16, 2006

## “INVESTING - THE TEMPLETON WAY”

Speaker: **Bradley Radin, Senior V.P.**  
**Templeton Investments**

### LAST WEEK'S PROGRAMME

Randi Glos gave a presentation on what it means to be an Architectural Engineer. It was an excellent presentation showing the finished product and the scope of work involved.

Don Snyder gave a compelling talk on his attendance at the International Aids Conference in August. Don and his wife, Barbara, also attended the World Vision virtual tour tent. The conference focus was on the goal of 'universal treatment' and a need to concentrate on the delivery of treatment now. The conference also focused on the need to accept the fact that protection is the primary defense and that this reality needs to be recognized.

### LAST WEEK'S ANNOUNCEMENTS

1. Past President Peter announced general call for nominations. V.P. and 4 Director positions are open.
2. Mike Serafimovski announced that Carolyn Jones, from R.I., will be giving a presentation on Tuesday, October 17th at the Roseland Club's dinner meeting at the Fogolar Furlan at 7pm. Cost is \$25 per person.
3. Don Larkin announced the RYLA awards at the Community College.
4. Karen Mingay introduced our newest member, Dr. Lucy Kanary.

---

### THANK-YOU

Thank you very much for your assistance in purchasing a special mattress for our son Landon. Your help and compassion does not go unnoticed.

The Orsi Family, Dawn, Angelo, Quinten (9), Landon (6), Jayden (5) and Hudson (1)

### THANK-YOU

On behalf of our son, Nicholas, we would like to extend our sincere gratitude and heartfelt thanks for o your club's financial assistance in purchasing a stair glide and Q-straint system tie-down and ramps. Words could never express our thanks for your generosity. Now, Nicholas has a means of getting to the basement of our home for access to a wheelchair accessible shower and for physical therapy because of the stair glide. (My aching back also thanks you). In addition, the Q-straint system allows us a means to transport Nicholas in his new wheelchair to activities, school, medical appointments, etc.

...Again, our many thanks to your generous members,

Sincerely, The DiCarlo Family
