To Om Chandna

Dear Rotarian Om:

Thank you for your letter of 18 July 2006 informing me of your 5-year project to spread the Rotary 4-Way test among school children in India. Encouraging high ethical values is a cornerstone of Rotary's mission.

We live in a world that needs people who live with integrity and honesty, and who have a strong sense of ethics. The encouragement and support for the young people of India in developing these standards will lead to a better future.

Best wishes to you as you continue to **Lead the Way** in showing the world how challenges, needs, and intolerance can be overcome through good sense and goodwill.

Best regards,

W.B. "Bill" Boyd, President,
Rotary International
