LAST WEEK'S PROGRAM

Our speaker, Bill Carter, is a member of the Kitchener-Conestoga Rotary Club, and the District Representative to The Canadian Rotary Collaboration for International Development (CRCID). The CRCIC champions sustainable international development initiatives that foster the alleviation of poverty and improve the quality of life in partner countries. His presentation was dynamic and very informative. Bill helped form the Steven Lewis Foundation and chairs the HIV subcommittee, amongst many other things. He was also instrumental in putting together a global health conference. He said that the power of Rotary is unique - that Rotary's role is that of advocacy.
