### LAST WEEK'S PROGRAMME

First, Ms. Bennett showed a video produced by CBC, Windsor, on Dr. David & Mrs. Ruth Booth (Dr. Booth has Alzheimer's). The statistics are that 1 in 4 will be diagnosed with Alzheimer's and more than 50,000 residents here in Windsor/Essex County are affected in some way.

Things that can be done to maintain/improve your brain are to challenge your brain, be socially active and choose a healthy lifestyle.
