

ROTARY CLUB OF WINDSOR (1918)

Today's Program
JANUARY 22, 2007

'BABY BOOMERS FACE GRIEF'

Speaker: Jane Galbraith

LAST WEEK'S PROGRAMME

Gary Switzer, C.E.O., Erie St. Clair, Local Health Integration Network, gave a very informative presentation on LHINs. There are 14 LHINs established and operating in Ontario. The Ontario government is changing the way our health care service is delivered through the creation of such LHINs. They are community-based organizations that will plan, coordinate, integrate and fund health care services at the local level. This is a new direction for health care. Gary said that they are aiming at managing the health care system so that everyone gets the health services that are needed. Coordination of the over 90 agencies is working well, at the local level, but not yet integrated.
