IN REMEMBRANCE

On December 19th. JOHN HIGGINS, a former 40+ year member, passed away. He served several years as Sergeant-at-Arms. He is remembered for his charm, his wit and his demonstration of "Service above Self."

On December 26th. DR. GEORGE FRASER, a Life Member, passed away. As long as he was physically able, he remained very involved with our Children's Assistance and Student Exchange Committees. He is remembered for his commitment and services to the ideals of Rotary.

The Club's condolences have been extended to both families.

THANK-YOU

Dear Maureen: On behalf of the Children's Safety Village of Windsor and Essex County, I thank you and your club for the continued support of the Village as evidenced by the generous donation of \$15,000 presented to us on December 4th.

The support of Rotary Club of Windsor (1918) over the past five years has enabled the Safety Village to be a positive force in our community, so please extend our thanks to all your members; it is truly appreciated!

Sincerely, Barbara Malmberg, Fund Development Coordinator
