

# ROTARY CLUB OF WINDSOR (1918)

Today's Program  
July 30, 2007

## 'VIMY RIDGE, 90th. ANNIVERSARY and MEMORIAL Speaker: Hardy Wheeler

### LAST WEEK'S PROGRAM

University of Windsor Physics professor and Windsor 1918 member, Dr. Gordon Drake, spoke on the role Physics plays in society. He explained how Physics is the study of nature and how things work. It is focused on nature, how it affects everything and ways to control these effects to make things useful. Physics enables future technology and is the foundation of the sciences. Dr. Drake briefly outlined his role at the University, his research team and his involvement with journals and publishing in the Physics field.
