THANK-YOU!

I wanted to again express my appreciation to you for acknowledging my work on behalf of Rotary 1918 by giving me the Four Avenues of Service Citation at last Monday's meeting. I know you will find it hard to believe but I was **almost** speechless – never anticipating this at all.

I am very grateful for the recognition but I also have to thank all of you for encouraging me with your patience, kindness and support of the many projects and initiatives that I have been involved with as a Rotarian-it is all a team effort and I have had a great "team" to work with and look forward to your continuing interest and energy as we move forward !!!

Most sincerely, Janet

"PRESIDENTIAL MEMBERSHIP CONFERENCE - On July 27th and 28th, a Presidential Membership Conference will be held in South Bend, Indiana. This is one of seven Conferences to be held in North America. Please contact Carl Cohen if you would like to attend and more information will be provided to you. Membership is the energy of Rotary. Please consider attending this very important Conference."

Honourary & Life Member, William (Bill) Noble

Jennifer Dewey, Bill's daughter, has written, '.....Last July, due to increased frailty and medical needs, Dad moved to a nursing home in Stratford where both my brother, Bill Jr. and I and our families live. Dad has adjusted to life in the nursing home quite well after an initial, predictable adjustment period and now is doing very well. Unfortunately, his memory is quite poor and he has lost a lot of his skills, but he still enjoys his word games and crossword puzzles, conversation and reminiscing, music, and golf (on TV!) and still has a keen, wry sense of humour. At just-turned 86, he's pretty pleased with himself!! Dad has always been very proud of his Rotary involvement and has both his Life Membership and Honourary Membership certificates framed on the wall in his room. Dad is very happy that his Rotary colleagues have not forgotten him and he enjoys the Wheel newsletters.'
