LAST WEEK'S PROGRAM

Kay Curtis gave a power-point presentation on her recent trip to Kenya. Kay has now started a project to raise money for a school in Nyeri, Kenya, beginning with a Tea Party at her house on June 24th at 2 o'clock.

John Fairley gave an interesting and informative talk on the changes in the Bingo industry. Costs are rising and profits are down, he stated. The industry is highly regulated by both the city and the province. He said that bingo is an easy game to play and since Windsor is a 'bingo town', there is opportunity for potential expansion.
