*The Power of Combined Effort Knows No Limitation - 'Individual efforts when well directed can accomplish much, but the greatest good must necessarily come from the combined efforts of many men. Individual efforts may be turned to individual needs but combined effort should be dedicated to the service of mankind. The power of combined effort knows no limitation...On no occasion has the cumulative power of all Rotary even been felt. We shall strike a mighty blow some day and we thenceforth shall know ourselves.'*

*Paul P. Harris, The Rotarian, July 1917*
