

ROTARY CLUB OF WINDSOR (1918)

Today's Program
September 10, 2007

'CLUB ASSEMBLY'

LAST WEEK'S PROGRAM

Guest speaker, Dr. Siyaram Pandey gave a stimulating and educational presentation. His lab at the University of Windsor is researching drugs that select and destroy cancer cells, leaving healthy cells unaffected. One such drug has been found taken from the spider-lily and work is currently being done to make a synthetic version.
