Today's Program
April 14, 2008

“Summary of the FEO Conference and Marketing the Club's Events” Speakers: Matt Dunlop & Ken Wheeldon

LAST WEEK'S PROGRAM

Dr. Om Chandna gave an outstanding presentation on human values, in honor of the late Lloyd Morgan, who believed passionately in the 4-Way Test, as does Om. He talked about values being well documented in 'man's living bible' and how important values are in fighting for all mankind. 'Humans are divine', he said, 'it is the absolute truth'. 'Children who see hate, learn hate. Children who see love, learn love. We must treat people with respect. It builds bridges between people'. Om received a standing ovation.
