'This is Your Life' and Annual Club Meeting

LAST WEEK'S PROGRAM

Exchange student, Morgan Johnsen, gave her Farewell presentation.

Hon. John Wilkinson, Ontario Liberal MPP Perth-Middlesex and Minister of Research and Innovation AND son of RI President Wilf Wilkinson spoke eloquently about why he is a member of Kiwanis and not Rotary. The simple answer is because Kiwanis invited him to join. He then led an energetic auction, with the proceeds going to our Foundation Fund, selling off his father's 'Rotary Shares' tie and his mother's Rotary scarf. Walter Willms had the winning bid of \$350.

Hon. Sandra Papatello talked about her history with Rotary and that she was an exchange student in 1981 to South Africa. She then spoke very passionately about Windsor and Essex County and how she sees the partnership between Ontario's Liberal government and Windsor Essex County working in the coming months. Her government's 10 international trade centers in major capitals around the world are there to help promote the region. The trade centers are there to promote Windsor Essex County as a stellar place to set u business and promote the area's abilities to supply international business with quality good and service.
