

ROTARY CLUB OF WINDSOR (1918)

Today's Program
July 28, 2008

- Exchange Student Yanik Fuch's Farewell
- Rebounders Greg Moore and Sarah Trottier to talk on their exchanges to Brazil and Finland, respectively
- Outbounders Melissa Taveirne (to Mexico) and Calli Dekold (to Belgium) to be introduced

LAST WEEK'S PROGRAM

Macela Diaz and Julio Villafuerte presented "This is Your Life". It was an emotional and entertaining presentation about their lives in South America, their family growing up and their family now. They ended their presentation with a song, in Spanish, and received a standing ovation by the club.

Dr. Ivan Linjacki is the Manager of Caps Canada, a leading manufacturer of two-piece capsules. Caps Canada is a multinational company with sales of \$150 billion worldwide. It is located in Tecumseh, Ontario, a location that was chosen due to the skill sets of workers in the region. He emphasized that the company has diversified their products and now sell products that can be accepted to countries with a predominant population following Muslim or Jewish religions.

LAST WEEK'S ANNOUNCEMENTS

1. Janet Kelly announced that two new exchange students will be coming in August—one from Germany and one from Brazil. Club members were asked to volunteer their time in assisting these students in the coming months. Janet then presented Rick Caron and Nancy Leavoy with plaques for their volunteerism in assisting youth exchange students to ensure that they participate in the club's events.
