LAST WEEK'S PROGRAM

Hy Muroff introduced, and PDG Roy Lancaster, pinned new member, Sandra Francis. Welcome, Sandra!

Klaus Dohring, President of 'Green Sun Rising' and a former Rotary scholar, gave an extremely interesting and informative talk about his company. 'Green Sun Rising Inc.' is a Windsor based company, focusing on supplying solar thermal collectors and renewable energy based heating systems. His message contained a warning that humankind needs to change its' ways in how it produces and consumes energy. He said that the earth's population was over consuming energy and polluting with the production byproducts in a fashion that could lead to catastrophic consequences for our environment. He said that every-one has an obligation to become a knowledgeable and conscientious energy consumer.
