LAST WEEK'S PROGRAM

Kay Curtis introduced and welcomed the Assumption High School Interact Board. The members talked about how they are incorporating "Making Dreams Real" in their club. A few of their projects this year include Coats for Kids, Christmas Baskets for Needy Families, a Can Drive and War Child for Kenya.

Sarah Trottier, a rebounder who went to Finland, took us through the 'Life of a Teenage Fin' with an excellent power point presentation. We learned about Finnish customs, food and traditions. Sarah thanked the club for a great year.

Peter Goodhand, CEO of the Canadian Cancer Society - Ontario Division, talked about taking action against cancer. He gave us an historical view of this disease, showed us how we are making progress against it and shared the long term strategy 'Cancer 20 20'. He gave an inspirational speech about enhancing the lives of those people who do have cancer and educated us on cancer prevention. He brought many powerful black and white photos of people who have been affected by this very human disease and gave a face to its tragedy.
