

# THE WHEEL

2008-2009

## What is Rotary?

Rotary is an organization of business and professional men and women united worldwide dedicated to providing humanitarian service, encouraging high ethical standards in all vocations, and helping build good will and peace in the world.

## Object of Rotary

The object of Rotary is to encourage and foster the idea of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- The development of acquaintance as an opportunity for service;
- High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his or her occupation as an opportunity to serve society;
- The application of the idea of service by every Rotarian to his or her personal, business and community life;
- The advancement of international understanding, good will, and peace through a world fellowship of business and professional persons united in the ideal of service.

## The 4-Way Test

Of things we think, say or do

1. Is it the truth?
2. Is it fair for all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?
