

# THE WHEEL

2008-2009

## What is Rotary?

Rotary is an organization of business and professional men and women united worldwide dedicated to providing humanitarian service, encouraging high ethical standards in all vocations, and helping build good will and peace in the world.

## Object of Rotary

The object of Rotary is to encourage and foster the idea of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- The development of acquaintance as an opportunity for service;
- High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his or her occupation as an opportunity to serve society;
- The application of the idea of service by every Rotarian to his or her personal, business and community life;
- The advancement of international understanding, good will, and peace through a world fellowship of business and professional persons united in the ideal of service.

## The 4-Way Test

Of things we think, say or do

1. Is it the truth?
2. Is it fair for all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

### LAST WEEK'S ANNOUNCEMENTS

1. President Bill announced that the Board will now meet on the 3rd Wednesday of each month so that the Finance Committee will have sufficient time to review the financial statements for presentation to the Board. All members of the Club are welcome to attend.
2. AIP Chair Shari Cunningham reported that during the planning for Art in the Park for next year, it became apparent that a fresh approach to sponsorship is needed. Shari is looking to put a committee together to do two things: Rethink the approach to Sponsorships and to Implement this Approach for 2010. Shari sees the majority of the work being done from now to January 2010. If you have an interest in working on this project, please see her after next week's Rotary meeting.
3. Peter Hrastovec asked that anyone who wanted tickets to see Tuesdays with Morrie, this Saturday, to please email him. Tickets are \$15/each, which includes a \$5 donation to our Foundation Fund.

### LAST WEEK'S PROGRAM

**THIS IS YOUR LIFE - KAY DOUGLAS.**  
Kay decided to dispense with any prepared text and instead spoke extemporaneously about her life 'as a journey of self development' which finally enabled her to live her 'dream career' in advertising and marketing. She said she has a network of friends who have challenged her and serve as a support group and allowed her to live a life that she described as "very rich and full".  
Kay has been in the marketing business for 18 years. She operates the Douglas Marketing Group, launched formally in March 2005. The company is a full-service agency serving Ontario, Michigan and the International marketplace.

President Bill used the Assembly to call upon everyone to discuss amongst themselves, at each table, possibilities for additional projects that our Club might consider. Lists were prepared. An edited compilation of the items suggested is to be prepared for further examination.
