LAST WEEK'S PROGRAM

Larry Horwitz, the Past Chair of the Downtown BIA, spoke on the state of downtown Windsor - Safety, Security and Diversification. He felt that the downtown was safe but uncomfortable because of the groups of young people. We have to stop the petty crime, he said. By-Law enforcement has to go beyond midnight to stop some of the problems. The City has to get tougher on bars that lose their liquor licenses. The Downtown has to diversify as it is doing with St. Clair College moving downtown. Everyone has to get involved to make it change!

THANK YOU

Dear Chair of the Youth Services Committee:

Thank you very much for granting me a \$500 Bursary. I am overcome with gratitude and truly appreciate this Bursary. I was completely surprised when I was informed that I had been chosen to receive the \$500 Rotary Club of Windsor Bursary last week. The financial aid could not have arrived at a better time, as I have been struggling with my financial situation.

I am currently in my fourth and final year of undergraduate studies at the University of Windsor in Mechanical and Materials Engineering. You may not be aware of our Capstone project, which every undergraduate engineer at Windsor must undertake in the final year. I have been selected to the SAE AeroDesign 2010 Capstone Team, which consists of designing, constructing and piloting a remote controlled airplane fit for competition this year in Fort Worth, Texas. Our team will go head to head with the best of the world, as SAE AeroDesign is an international competition. Unfortunately, our Capstone team is responsible for nearly 100% of the fundraising for our plane and competition, and I would like you to know that I will be using this Bursary to help fund our airplane and success in Texas.

Since I am in my final year, I am dreading paying my education bills a year from now (after I graduate) and help from anywhere really helps.

Sincerely yours,
Christian Tirona

THANK YOU

Thank you very much for awarding me the Rotary Club of Windsor Bursary valued at \$500. This Bursary will be very helpful as I finish my semester at the University of Windsor to fulfill my goal and dream of becoming a teacher.

Thank you so much,
