Also, every 17 months, each group will act as Registrar and Greeters at a specific meeting.
4. President Rick announced that starting November 1st, we will be having an Auto Series talk each week, covering multiple subjects from our local to international auto industry and welcoming several experts in this industry.

LAST WEEK'S PROGRAM

DG Kim Towar spoke about this year's District Convention to be held in Chicago on May 12-15, 2011. She, along with husband 'First Gent' Dave Colton invited everyone to attend. Kim went into detail about what Rotary truly means to her and how it can affect ones life positively. She went on to tell a heart-warming story of a young girl who came to stay with Kim and Dave, on an exchange program from South America, but absolutely did not want to be here. By the end of the girl's time here, she was like a daughter to Kim and Dave, and the young girl went on to become a professional and continues to serve with Rotary. As a result of stories like this, Kim wanted to encourage everyone to continue contributing to their Club, regardless of the reasons they joined, because you get so much more back, in the end, by way of fellowship and friendship.
