LAST MEETING'S PROGRAM

'It's a long way to the top if you want to Rock 'n Roll' - after two glorious fights in the ring, Marty Gervais said that he knows he is no match for our guest speaker, Jeannine Garside. Fighting in the ring, since she finished high school, Jeannine's 45-5 amateur record alone is a great success, but she always knew that she wanted more. She was about to achieve that success. Fighting in Bosnia, feeling like she had won the fight, and losing in a decision to the home-town girl, only added fuel to the fire and more power to the punches. Jeannine successfully beat the World Champion in Germany and is now looking forward to defending the belt.
